"I feel as if I should fly to pieces." How often those words are on a woman's lips. They express to the uttermost the nerve racked condition of the body, which makes life a daily martyrdom.
 If this condition had come suddenly it would have been unbearable. But the transition was gradual. A little more strain each day on the nerves. A little more drain each day of the vitality. Any woman would be glad to be rid of such a condition. Every woman tries to get rid of it. Thousands of such women have been cured by Dr. Pierce's treatment with his "Favorite Prescription" when local doctors had entirely failed to cure.
 Sick women suffering from unpleasant drains, irregularities, bearing down pains, inflammation and ulceration are invited to consult Dr. Pierce, Buffalo, N. Y., by letter free of charge. Every letter is guarded as a sacred confidence. All letters are promptly answered and mailed in private envelopes without printing of any kind upon them.
 "Favorite Prescription" is in the full sense a temperance medicine, containing neither alcohol nor opium or other narcotic in any form. Accept no substitute.
 Mrs. Rena Hensel, of Massillon, Stark Co., Ohio, writes: "I had been troubled with chronic constipation and female weakness and doctored with different physicians, none of whom seemed to help me. I saw one of your advertisements, and I thought I would try your medicine. I did so and with good results. Took one bottle of Dr. Pierce's Favorite Prescription, and two of his 'Golden Medical Discovery' and I can say I am cured of my troubles, thanks to Dr. Pierce and his medicines. They do a world of good to those who give them a good trial."

Dr. Pierce's Pleasant Pellets are a perfect cure for constipation.

YES, OH, YES
 It's blood you need, yes, the good, red, rich, ripe and racy sort that goes a galloping through your veins like a 2:02½ horse in the home stretch. Yes, it's blood, new blood, that dashes in a hot and tumultuous flood through the crevices of the sick worn body, spashing into the dejected heart with a sputter, foaming and fuming to dash away and gather in the sluggish driftwood of lagging ambition and fling it far onto the shore of health.
 Richardson's Cranberry Tonic makes that kind of blood.
 Those dark rings beneath the eyes are the pig tracks made by the pork you have eaten this winter.
 Richardson's Cranberry Tonic will remove them.
 Blood, yes, spring blood, new blood that is made with Cranberry Tonic.
 Cranberry Tonic is a tonic for the weak, a stimulant for the aged. Cranberry Tonic cures indigestion, sour stomach, pains in the breast, side and back, liver complaint, biliousness, nervousness, kidney trouble, chills and fever, sleeplessness, despondency and rheumatism.
 As a tonic for spring, it is just the real thing.
 Cranberry Tonic is what you want after you have taken two or three gallons of some pretended blood remedy. Use Cranberry Tonic and get well.
 A taste of its own.
 Has Cranberry Tonic.
 Price 75c, 3 bottles for \$2. Prepared by yours for business.

 The readers of this paper will be pleased to learn that there is at last one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Just think, eight weeks in Marietta, with a record of "knocking out" 250 cases of headache. How does he do it? It is like everything else, it seems impossible, but it is very easily done when you "know how." Can he cure headache with glasses?
 This is a positive fact, and has been demonstrated by hundreds of our leading people, which shows that his glasses possess exceptional virtue for the cure of headache.

NERVOUSNESS ALMOST GONE.
 MR. E. SLACK, OF 225 SIXTH STREET, SAYS HIS WIFE'S GLASSES HAVE ALMOST ENTIRELY CURED HER NERVOUSNESS.—HE IS EQUALLY PLEASED WITH HIS.

This is to certify that Dr. H. P. Lorbach, scientific optician, at the Norwood hotel, did examine the eyes of myself and wife and fitted us each with glasses that have given entire satisfaction in every sense of the word. Prior to that my wife had been troubled with a constant nervousness and headache which, since wearing her glasses, has almost entirely disappeared. In fact, they seemed to have made another person of her. No amount of money would be an inducement for the good they have already done. I am equally well pleased with mine. I certainly recommend the doctor as thoroughly reliable in eye work, and a very pleasant gentleman to do business with.

MR. E. SLACK,
 225 Sixth street, Marietta, O.

MISS T. REMLEIGH OF 415½ THIRD STREET, SAYS HER GLASSES ARE A BLESSING TO HER HEADACHE ALL GONE.

This certifies that H. P. Lorbach, scientific optician, at the Norwood Hotel, tested my eyes and furnished me with a pair of glasses that have given me perfect satisfaction beyond my most hopeful expectations; that prior to that I had been troubled with headache, a blurring of the vision, which caused me to squint or frown. But now I am happy to say since wearing the glasses I am relieved of all trouble and inconvenience entirely. I can certainly recommend the doctor to any one having eye trouble or headache as thoroughly reliable in his profession.
 MISS T. REMLEIGH,
 415½ Third street.

HEADACHE FOR TWO YEARS.
 A constant headache for over two years, cured as if by magic. Miss Nettie Matthews, a dressmaker of Church Alley, West Side, says: "I have been troubled constantly for years with severe headache, to such an extent that I sometimes had to quit my work entirely, and for the last two years I have had headache constantly. I was advised to see Dr. H. P. Lorbach, scientific optician, at the Norwood Hotel, which I am very glad to say I did. I found the doctor thoroughly posted in his work. After he had made an examination of my eyes, he furnished me with a pair of glasses, with which I can see both near and far better than I ever could. My headache has entirely disappeared. I would not have believed that there was so much comfort in glasses. I work as long as I please and with perfect ease. I certainly can recommend the doctor to any one having headache or eye trouble as competent in his profession, and a pleasant gentleman to deal with."
 MISS NETTIE MATTHEWS,
